## **CALL FOR EXPRESSIONS OF INTEREST**

*Are you passionate about rural communities and rural community development?  
If so, please consider joining the BC Rural Centre to help us, help rural communities thrive.*

The [BC Rural Centre](http://www.bcruralcentre.org) (BCRC) is a small provincial non-profit Society dedicated to providing information, resources and services to BC's Indigenous and rural communities, to help them successfully address common challenges they face. Due to an impending retirement and workloads, the BCRC is interested in hearing from individuals interested in joining the BCRC to help us fulfill our mandate.

We are seeking expressions of interest for two key **part-time** positions – with the opportunity to expand to full-time employment based on annual project activity.

### **Digital Media & Research Coordinator**

As the Digital Media & Research Coordinator you will lead the BCRC's work in creating and delivering our social media and marketing efforts. You will also be responsible for leading BCRC research activities to share – and create new - rural development resource materials. The Digital Media & Research Coordinator needs to be "tech-savvy" and feel comfortable using and managing the wide variety of digital media applications that the BCRC uses - including video-conferencing, Twitter, Facebook and WordPress for our website.

### **Executive Director**

The BCRC Executive Director leads the organization and is directly responsible for effectively managing all of its human and financial resources. The Executive Director is also responsible for developing strategic partnerships; new BCRC projects and services; and organizational fundraising. The Executive Director incumbent should have senior management experience.

These positions will be of interest to highly self-motivated, creative individuals with a passion for making a difference. Both positions will work from their respective home offices somewhere in rural BC.

If you are interested in either of these positions, please send a two page covering letter describing how you feel you could help the BCRC deliver on its mandate along with a copy of your Resume to [Gordon.Borgstrom@telus.net](mailto:Gordon.Borgstrom@telus.net) **BEFORE MAY 7th, 2021**. Due to our limited staff capacity we may not be able to respond to all submissions - so thank you in advance for your interest.
